

**JAMS LIFE  
SCIENCES**  
Dispute Resolution

## International/Cross-Border Sector

### Global mediators and arbitrators with exceptional expertise

With backgrounds in the judiciary, at major law firms or as in-house or outside counsel to life sciences and biotech firms, these internationally-recognized ADR professionals have gained deep subject matter expertise handling hundreds of complex matters around the globe, including cases involving **cross-border disputes** and **international partnerships**.

Available in person and remotely, they are available to serve as **arbitrators, mediators, special masters, claims administrators** and **neutral evaluators**.

*The world's largest private alternative dispute resolution (ADR) provider, JAMS handles thousands of complex cases each year, including class actions and multidistrict litigation. We offer concierge-level client service, including highly skilled case managers, virtual ADR moderators, and premium technology and amenities.*
